

WISCONSIN RIVER WOODCARVERS

VIC HOOD SEMINAR

Vic will be teaching, "Carving a realistic human bust in Butternut". The project will be smaller than life-size.

Vic has been carving and teaching for over 25 years. In that time he has won over 100 awards for his work. In addition to winning awards, Vic has been asked to do a piece for the White House and in 2011 was the Woodcarving Illustrated Carver of the Year. He also had a 30 minute woodcarving show on the DIY network and published two books on carving. The first book "Carving Found Wood" won the Independent Book Publisher's "Book of the Year" award.

His commitment to teaching woodcarving is illustrated by his students winning more first place and "Best of Group" in the International Woodcarver's Congress "Instructor Assisted" category than any other instructor ever at this show. Many of his students have gone on to win "Best of Show" awards all over the country.
