

- On February 1, 1995; a group of 18 carvers gathered in the basement of a fellow woodcarver. It was decided they could do it. Officers, by-laws, insurance, dues, incorporation and a meeting place were discussed and decided upon. The Wisconsin River Woodcarvers were created.
- Each year we bring in 2 or 3 nationally- known instructors to provide classes.
- A summer picnic and winter Christmas party are yearly events.
- The by-laws state that “The purpose of this organization is to share interest and knowledge of all aspects of woodcarving and promote and encourage woodcarving to the youth”.
- If you are interested in learning more you may contact any of the Club’s Officers:
