

Hi,

I am Ada Klute, organizing a fundraiser for United Special Sportsman's Alliance, they provide outdoor experiences for special needs children and Veterans. I am proud to be a part of this organization and enjoyed the time I got to spend with the kids during summer fest teaching them wood burning. Covid ended that for me till this year I get to go again! Google Childswish to see what USSA is all about.

HO-CHUNK GAMING

BLACK RIVER FALLS

Is hosting the event for me on June 26-28-2026, giving us great venue to have this chainsaw exposition, plus local carving clubs there too. "Livin The Dream" is a carve and sale fundraiser.

The chainsaw carvers are donating their time and talent plus 50% of what their carvings will sell for at our 3 auctions. You can have your work auctioned off too. Also giving all carvers a chance to sell inventory at our ready made tent for a 70/30% split. If any of you would like to make a donation for our silent auctions that would greatly be appreciated!
Hope you can come and make chips with us!

Take care Ada
